

## UPS/Power Technician III

Atlantic CommTech Corporation is providing backup power installation, operations and maintenance for communication systems throughout Southwest Asia (SWA) for US Air Force and Army military facilities. We are currently recruiting for Tech III level position. Candidates must have ten years of "hands on" work experience in support of installations, repair, and troubleshooting or maintenance of power systems or equipment. All candidates must have experience in the following areas:

### Specialized Experience:

- Experience as an electrician being familiar with the National Electric Code (NEC)
- Knowledgeable on proper grounding, safety standards, and NEC compliance
- Experience performing maintenance, installation, troubleshooting, and testing of electrical power generation, distribution, and transformation
- Experience working with Automatic Transfer Switches (ATS), Transformers, and Generators

### Preferred Experience:

- Experience with Eaton/Powerware UPS Equipment
- Experience with Heating/ventilation and Air Conditioning (HVAC)
- Experience with both 50 and 60 Hz Power Systems and Equipment

### Education Requirements (must meet one of the following):

- Associates degree in Engineering or Engineering Technology
- Completion of formal resident trade school or apprentice program in electronics
- Completion of at least three (3) U.S. Military schools in electronic communications equipment or systems, and Grade E-6 or equivalent

Tech III candidates must also have experience resolving complex problems, performing system analysis, refurbishment and installation of new systems. Tech III candidates require experience in a supervisory capacity and proven ability to interface with customer representatives and provide daily status reports. This position is located in Southwest Asia with a primary location of Al Udeid Air Base, Qatar. Assignments are for a minimum of one year. Successful candidates must be able to obtain a secret security clearance and complete pre-deployment health and dental screening. We provide all travel and lodging expenses as well as a comprehensive compensation and benefits package. Interested candidates should email their resume to [jobs@act-corp.com](mailto:jobs@act-corp.com)

Atlantic CommTech is an equal opportunity employer.
